## 50-694 Light Truck & SUV ADAPTER ANNOUNCEMENT

Pro-Cut International is pleased to announce the introduction of the new **50-694 Light Truck & SUV adapter**. This new adapter includes the new GM 6 on 132mm pattern. GM Dealers will be notified of the availability of the 50-694 adapter through a separate announcement from GM/DES. All 5 adapter lathe packages sold to GM dealers will now include the 50-694.

Current Models using the 6 on 132mm pattern that will require the 50-694:

- GMC Acadia 2007 and up
- Buick Enclave 2008 and up
- Saturn Outlook 2007 and up

Near-future models using this pattern:

- Chevrolet Traverse 2009 and up

Availability of this adapter will be limited to new GM lathe packages only until full stocking level is realized in late April, 2008.
